

GSO/HNS

Summer Meeting 2018

Program

Thursday, July 19, 2018

4:00 – 6:00PM GSO/HNS Board of Directors Meeting

4:00 – 6:00PM Exhibitors Set-up

6:00 – 7:00PM Drinks at the Bula Bar & Grill

Friday, July 20, 2018

7:00 – 8:00AM Continental Breakfast & Exhibit Viewing

7:00 – 10:00AM Meeting Registration

8:00AM – 12:45PM SCIENTIFIC SESSIONS

8:00 – 8:10AM Welcome & Introductions:
Malaika Witter Hewitt, MD– President, GSO/HNS

8:10 – 8:45AM *Management of CRS with Polyps: What is the Evidence?*
Roy R. Casiano MD, FACS

Objectives:

- Identify evidenced-based guidelines and maximum medical management of CRS with polyps
- Recommend patients for sinus surgery who have failed maximum medical management of CRS with polyps

8:45 – 8:50AM QUESTION & ANSWER

8:50 – 9:25AM Sinus Panel: *Management of CRS with Polyps: What is the Evidence?*
Panelists: Dr. Roy Casiano
Dr. John DelGaudio
Dr. Stil Kountakis
Dr. Pablo Stolovitzky
Dr. Sarah Wise

9:25 – 9:30AM QUESTION & ANSWER

9:30 – 10:05AM *Ergonomics*
Daniel L Wohl, M.D.

Objectives:

10:05 – 10:10AM QUESTION & ANSWER

10:10 – 10:40AM **BREAK & EXHIBIT VISITATION**

10:40 – 11:15AM *Navigating without a Navigator: Landmarks for Revision Sinus Surgery and Polyp Disease*
Roy R. Casiano MD, FACS

Objectives:

- Identify key anatomical revision landmarks for the performance of a safe sphenoidectomy and frontal sinusotomy
- Differentiate between primary and revision endoscopic surgical landmarks

11:15 – 11:20AM QUESTION & ANSWER

11:20 – 11:55PM *Teaching Quality Improvement in Graduate Medical Education*
Michael Groves, MD
Augusta University

11:55AM – 12:00PM QUESTION & ANSWER

12:00 – 12:25PM *Highlights from the International Consensus Statement on Allergic Rhinitis: what we know and what we don't*
Sarah Wise, MD
Emory University

Objectives:

- Review the ICAR process broadly, and the methods involved in compiling the ICAR: Allergic Rhinitis document specifically.
- Discuss the strongest evidence in allergic rhinitis, as well as some weaker evidence.
- Highlight future directions in allergic rhinitis research and treatment.

12:25 – 12:30PM QUESTION & ANSWER

12:30 – 12:45PM **GSO/HNS BUSINESS MEETING**

12:45PM ADJOURN

Saturday, July 21, 2018

7:00 – 8:00AM Continental Breakfast & Exhibit Viewing

7:00 – 10:00AM Meeting Registration

8:00AM – 1:00PM SCIENTIFIC SESSIONS

8:00 – 8:35AM *Surgical issues in the management of low risk thyroid cancer- less surgery, observation options and cancers that aren't cancers (NIFTP).*
Gregory W. Randolph MD FACS FACE

Objectives:

- Review recent ATA guidelines recommendations for lobectomy (vs total thyroidectomy) in appropriately selected patients
- Review options for observation in low risk papillary microcarcinomas
- Introduce the concept of NIFTP- to define it pathologically and to identify its preoperative cytology

8:35 – 8:40AM QUESTIONS & ANSWER

8:40 – 9:15AM *Surgical Issues in the Management of Low Risk Thyroid Cancer*
Panelists: Amy Chen, MD
Greg Randolph, MD
David Terris, MD

9:15 – 9:20AM QUESTIONS & ANSWER

9:20 – 9:55AM *Endoscopic Frontal Sinusotomies: From Balloons to Drillouts*
Roy Casiano, MD, FACS

Objectives:

9:55 – 10:00AM QUESTIONS & ANSWER

10:00 – 10:30AM **BREAK & EXHIBIT VISITATION**

10:30AM Exhibitors Break-down

10:30 - 11:05AM *CSF leak repair with grafts vs flaps: how do I decide?*
Roy Casiano, MD, FACS

Objectives:

- Discuss the indications for more advanced frontal sinusotomy surgical technique
- Decide when an endoscopic technique must be combined with an external approach

11:05 – 11:10AM QUESTION & ANSWER

11:10 – 11:45AM *PTC nodal mapping and surgery*
Gregory W. Randolph, MD, FACS, FACE

Objectives:

- Discuss the importance of differentiating microscopic versus macroscopic/clinically apparent nodal disease
- Review the recent ATA guidelines recommendation for prophylactic central neck dissection
- Discuss the option of staged surgery in patients with bulky nodal disease.

11:45 – 11:50AM QUESTION & ANSWER

11:50 - 12:10PM *AAO/HNS Update*
Peter Abramson, MD

12:10 – 12:30PM Update AAO/HNS initiative on Physician Wellness and Burnout
Gregory W. Randolph, MD, FACS, FACE

12:25 – 12:30PM QUESTION & ANSWER

12:30 – 12:55PM *Current Management of Vestibular Schwannoma*
Esther Vivas, MD
Emory University

12:55 – 1:00PM QUESTIONS & ANSWERS

1:00PM ADJOURN

8:00PM Tapas & Desserts Party after the Parks

Sunday, July 22, 2018

7:30 – 8:30AM Continental Breakfast

8:00 – 11:00AM SCIENTIFIC SESSIONS

8:00 – 8:30AM *Neural monitoring 2018*
Gregory W. Randolph MD FACS FACE

Objectives:

- Discuss all of the applications of neural monitoring during thyroid surgery
- Discuss the application of neural monitoring as it relates to the superior laryngeal nerve and to review appropriate guidelines from the international neural monitoring study group for SLN monitoring
- Review the two new guidelines from the international neural monitoring study group on neural monitoring and staged surgery as well as neural monitoring with neural invasion

8:30 – 8:35AM QUESTION & ANSWER

8:35 – 9:05AM *ATA guidelines for surgeons*
Gregory W. Randolph MD FACS FACE

Objectives:

- Discuss new ATA guidelines recommendations relating to voice and laryngeal exam
- Discuss new ATA surgical recommendations relating to the nerve and to nodal management
- Review the options of extent of thyroidectomy based on risk categorization of the thyroid primary

9:05 – 9:10AM QUESTION & ANSWER

9:10– 9:40AM *Pain Management in Head and Neck Surgery*
Ken Byrd, MD
Augusta University

Objectives:

- Recognize the burden of chronic opioid dependence in head and neck cancer patient
- Develop a perioperative pain management plan that minimizes narcotic usage

9:40 – 9:45AM QUESTIONS & ANSWERS

9:45 – 10:15AM *TBA*
Harry Michael Baddour, MD
Emory University

Objectives:

10:15 – 10:20AM QUESTIONS & ANSWERS

10:20 – 10:35AM *Supraorbital Ethmoid Cell Versus Keros Classification in Predicting the Course of the Anterior Ethmoid Artery*
Dan Sharbel, MD
Augusta University

Objectives:

- Understand the course of the anterior ethmoid artery as it relates to supraorbital ethmoid cells and to the Keros classification

9:35 – 10:50AM *TBA*
Matt Ochsner, MD

Objectives:

10:50 – 10:55AM QUESTIONS & ANSWERS

10:55 – 11:00AM MEETING WRAP-UP

ACCREDITATION STATEMENT

The Southern Alliance for Physician Specialties CME is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

The Southern Alliance for Physician Specialties CME designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
